We have come to a long-term agreement – making the Three Rivers Convention Center our new home for the event registration, dinners, awards & entertainment!

Yes! We get to be back indoors for all our Corvette fun with friends. The Convention Center is a fantastic, large property...and the news gets even better!!

We have contracted large blocks of rooms at two new hotels on the grounds of the Convention Center.

Thank You again for all who attended our 2023 Corvettes on the Columbia Weekend! We promised we'd raise the bar a bit, giving you an even better weekend in 2024, and these agreements for a new event venue and new hotels is just the beginning. Stay tuned for more news and announcements after the holidays.

Stay Safe & Happy Holidays!
