Hello Everyone –

Thank you to everyone that have registered early for this year's Corvettes on the Columbia. It is so exciting to have already exceeded the first 100 registrants.

We have heard of some issues or confusion with the online registration. Below we have done a step by step with screen shots to hopefully help. If you find that you are still having trouble, please call Taylor Hall at 509-544-6269 and she will help you get registered over the phone!

IMPORTANT

We have recently learned that we are not able to process checks for payment with our new online platform – we apologize for any inconvenience and appreciate those of you who we have already called to get payment over the phone being so understanding! If you wish to still mail in your registration please feel free to do that but please do not send a check. Once we receive your registration in the mail, Taylor will call you and collect payment over the phone. You are still welcome to call in your registration as well!
